As he's dragged from his prison cell to the site of his execution in Rome...

PAULUS BY MOTTI LERNER - A WORLD PREMIERE

A compassionate but wary 62-year-old Jesus and an egomaniacal Emperor Nero torment the ailing psyche of the Apostle Paul as he struggles to universalize monotheism against fierce opposition from a Jewish religious establishment threatened with spiritual extinction.

November 07 - December 15, 2013

Silk Road Rising commissioned the translation of *Paulus* from Hebrew into English.

"The world of Motti Lerner's *Paulus* takes us through diseased streets, sacred grounds, fortified citadels, humble safe houses, dank prisons, palatial estates and fleeing ships.

It takes an imaginative and sharp design team to create the esoteric landscape to evoke each of these locales while keeping the environment grounded enough to support the passionate mission of our tragic hero. The terrific cast and crew have met the challenge at every step.

Paulus promises to be an exciting and unique physical experience of a metaphysical battle."

--Jimmy McDermott,
Director of *Paulus*
