**Friend, Your Support
Creates Diverse American Theatre**

Today is **Giving Tuesday**, a global day of giving. Today more than ever, your donations help heal rifts and build bridges through supporting the representation of a diverse America onstage and online. The America that we love and that we actually live in. By supporting our theatrical and digital work, you have helped us become a vital center for underrepresented and misrepresented voices.

Thank you for supporting us. From artists' fees to design budgets to community outreach, Silk Road Rising couldn't do the work we do without you.

Please [make a gift](#) today so that we can continue our journey forward. Our mission is being tested and it could not be more urgent.

"Haul out the holly;
Put up the tree before my spirit falls again.
Fill up the stocking,
I may be rushing things, but deck the halls
again now.
For we need a little Christmas
Right this very minute,"

Somehow the lyrics of that Christmas treasure from the *Mame* songbook ring especially true right now. It's why we're so thrilled to be delivering stockings' full of holiday joy right in the nick of time.

Our very own Christine Bunuan has created something that promises to lift your spirits. Come for the entertainment, stay for the joy. You'll laugh, you'll cry, you'll sing along, your faith in humanity will be completely restored, and you'll likely want to see it again! Take that endorsement to the bank. Or better yet, take it to the [box office](#).
