Hear What Critics are Saying about *Wild Boar*

“Paired with Helen Young’s introspective approach in directing *Wild Boar* at Silk Road Rising,

F. Karmann Bajuyo delivers a **compelling, authentic** and **intense** protagonist who both **interesting** to watch and **gratifying** to trust as the lead character Ruan.

Any American theatre-goer **awake** and **aware** today will surely see the parallels in this country’s media climate.”

- Roxane Assaf-Lynn, **Huffington Post**

Political Thriller *Wild Boar* should not be missed

"Adapted by no less a talent than David Henry Hwang, this 2012 work has everything it needs for **political suspense:**

a **kidnapped professor,**

a **crusading publisher,**

a **tormented reporter** with a sexy secret,

and an epically **corrupt real estate** deal,

all set in a present-day Hong Kong, where **democratic notions chafe against Chinese autocracy."**

- Tony Adler, Chicago Reader
