### Who gets to decide what is true?

When a controversial professor disappears, it's up to an editor and his protege to investigate.

Set in Hong Kong, *Wild Boar* draws striking parallels with American politics and the spread of fake news, all nestled against the backdrop of a lost love that threatens to reignite.

A foreboding tale of censorship, self-censorship, and a future rooted in fable.

Runs from: **November 9th - December 17th**

## Objective Truth

We interview the experts about *Wild Boar*

## "Can you say that the truth you arrive at is truly objective?"

- Carol Ann Tan, dramaturg for *Wild Boar*

**What is the truth?** Is it as black and white as good vs. evil, **right vs. wrong?**

In our **exclusive video interviews**, we ask the creative team behind *Wild Boar* **what objective truth means** to them and to the piece.

**Director** Helen Young, **dramaturg** Carol Ann Tan (shown above), and **Chief Programming Officer & Mission Trustee** Jamil Khoury weigh in on "Objective Truth" and how *Wild Boar* tackles this major ethical concept.
