Support EPIC

Empathic Playwriting Intensive Course (EPIC) is a sixteen-week arts residency program designed to bridge the gap between students' imagination and the act of articulating that vision as a complete story in a ten-minute play.

&It;&It;First Name>>, this January, with your help, we will begin implementing EPIC for Chicago Public School students in the sixth and tenth grades. Based on Common Core Learning Standards, EPIC is designed to improve students' capacity to read, write, listen, and speak.

EPIC has a strong focus on cultivating and heightening the attribute of empathy in students. Empathy is about cultural sensitivity and conflict resolution. Empathy does not require us to give up our own perspectives, but allows us to integrate others' perspectives within our own. It is critical to develop this skill in order for students to succeed in the 21st century.

Students are ready to learn - please help us deliver EPIC in January, 2013 by making a tax deductible contribution today!
