**YOUR DONATION WILL BE MATCHED 100%**

Dear &#x26;#x26;First Name>>,

The challenges and fears confronting a devastated American public following the attacks of September 11, 2001, cried out for conversations that were cross-cultural, transnational, inter-faith, and within and between our local communities. We created Silk Road Rising in response to this need.

Our work has taken the form of live theatre productions, video plays and essays, civic engagement projects, advocacy workshops, and community building events.

And the impact of our efforts? A more representative and integrated cultural sector. Not one of cultural silos or narrative ghettos, sequestered communities, “insiders” and “outsiders,” but a community characterized by dynamic, evolving, all inclusive cultural interchange. For when people and stories connect, across boundaries and borders, conflict and distrust subsides.

As we begin to plan strategically for our next ten years, we hope to enlist you as a partner in helping us expand our impact, globalize our reach, and capitalize on our first ten years as we catapult into the uncharted territories of advancing a polycultural vision for America.

[WE ASK THAT YOU HELP US HELP THE WORLD HEAL.](#)

Your financial contribution to Silk Road Rising is an investment in an America that embraces the intersection of cultures and the overlapping of stories.

**As a result of a matching gift from an anonymous donor, every dollar you donate through the end of 2013 will be doubled!**

The impact of your gift will go twice as far and help us shape cultural attitudes and expand representation in the arts sector. A nation in dialogue is a nation at peace, with itself and with others.

Thank you for your support and thank you for believing in Silk Road Rising.
