Wishing you and your loved ones a most glorious New Year!
[View this email in your browser](#)

Dear Friend,

Thank you for your belief in tenacity, the ability to pivot, and the art of being nimble. Your support has allowed us to keep on keeping on as we continue our 19-year legacy of connecting cultures and communities. We're enormously grateful for your willingness to hop on board and stay with us on this journey, as we strategically zigzag along to a better tomorrow.

We recognize that a brighter future is possible through collaboration and radical love. Silk Road Rising is renewing our commitment to artwork that

celebrating stones that help our fractured nation heal.

Please consider making a gift to Silk Road Rising by December 31st. Your contribution supports a vision of artmaking that advances multiracial democracy as America's true manifest destiny—one in which justice extends to all.
