**Now more than ever, we need connectivity and honesty to help our world heal!**

Founding Co-Executive Artistic Director, Malik Gillani, with a special message

What would our communities look like if we celebrated our commonalities, honored our differences, and engaged in cultural interchange with frequency and grace? The stories we tell unleash the curiosity and goodwill that help us build a more polycultural tomorrow.

Your support enables Silk Road Rising to leverage stories as a destination and a meeting place; a sanctuary for healing ourselves and healing our communities at a time when it is needed most. We have exciting plans to expand our legacy in the coming year, but we can't do it alone.

**Help Silk Road Rising prepare for our most ambitious year yet by making your [donation](#) today!**

Silk Road Rising and Remmy Bumppo Theatre Company produced the U.S. Premiere of Tanika Gupta's *Great Expectations* in 2017.

**Support a Vision of America that is Welcoming, Polycultural, and Dynamic.**

**Support a Vision of the World that is Open, Willing, and Creative.**
