Silk Road Rising's artistic efforts have ripple effects throughout society. We develop and perform stories generated by playwrights of Asian American and Middle Eastern American backgrounds. In presenting these plays both on our stage and through our online video plays, we are reaching an audience that is both local and global --in the process, we impact conversations about culture and representation.

Tonight, as you celebrate and usher in the new year, please take a few minutes now to lay the groundwork for supporting Silk Road Rising throughout 2013 by making a donation today. [CLICK HERE TO DONATE.](#)

In supporting Silk Road Rising, you are directly contributing to these outcomes:

1. Supporting established and emerging artists of Silk Road backgrounds.
2. Showcasing outstanding works of art that articulate perspectives rarely heard.
3. Generating dialogue within and between communities.
4. Learning new ways of understanding each other through engaging our unique works of art.

Help us discover, develop, and perform stories from within our communities.
