Your gift has ripple effects.

Dear Friend,

You have only hours left to make an impact; to help us create a community that values art over ideology and inquiry over dogma.

I'm writing today to ask that you make a commitment to Silk Road Rising by making a gift before we say goodbye to 2018.

DONATE NOW

Friend, for the last sixteen years, Silk Road Rising has used the power of storytelling to expand and enrich representation of Asian Americans and Middle Eastern Americans with stories that are authentic, multi-faceted and grounded in human experience.

By making a donation, your gift provides resources that allow us to stage stories about our shared humanity and the universal truths that bind us.

Your gift underwrites three programming areas:

(1) *Theatre-based work* – you help commission, develop, and produce new plays that challenge, entertain, and inspire audiences.

(2) *Community Engagement* – your gift funds civic engagement programs across our region that facilitate conversations around topics of identity, citizenship, and religious pluralism.

(3) *Arts Education* – your donation helps provide school-based playwriting

Your gift has ripple effects. Your donation provides the resources to produce plays, involve communities through civic engagement programs, and provide arts learning to our youth.

Thank **YOU** for considering a gift to Silk Road Rising. Wishing you a glorious 2018 full of joy, prosperity, peace, and great art!

Warmly,

Malik

PS2: The most difficult problem facing our society today is lack of understanding and fear of "the other." Stories can bridge this fear and help us recognize each other's humanity. Thank you for [donating](#) in support of Silk Road Rising and helping us produce artistic efforts that bring us closer to each other.
