## Support Diverse American Voices Celebrate Our Shared Humanity

Dear Friend,

Bold. Beautiful. Brave.

We are calling 2015 The Year of Dynamic Women. Our Silk Road Solos series saw original productions written and performed by talented women.

Kim Schultz's *No Place Called Home*, Minita Gandhi's *Muthaland*, Rohina Malik's *Unveiled*, Puja Mohindra's *A Great Dive*, Marissa Lichwick's *Yellow Dress*, and Jameelah Shelo's *My American Cousin* told honest and illuminating stories that we were proud to share with all of you. Your support of these artists helped women's voices to be heard.

Our commitment to producing female playwrights gained us national attention. Read the full article from American Theatre [HERE >>](#)

### Make a Gift

Your gift will help us shape cultural attitudes and expand representation in the arts.

When people and stories connect, conflict and distrust subsides.

Your financial contribution to Silk Road Rising is an investment in an America that embraces the intersection of cultures and the overlapping of stories. It is an investment in the artists whose stories highlight our shared humanity.

You can bring us one step closer to our common vision for the future: A nation of equal voices, in dialogue and at peace, with itself and with others.

Thank you for supporting Silk Road Rising.

Malik & Jamil
