**ABOUT GOLDEN CHILD**

Set in China in the early 1900's, the Obie Award winning *Golden Child* tells the story of Eng Tieng-Bin, a wealthy merchant who returns from abroad filled with Western ideas and Christian beliefs and hopes of liberating China from its superstitious past. But in a polygamous marriage riddled with jealousy and suspicion, what will Eng's religious conversion mean for each of his three wives? Can new ideas and old traditions co-exist or are they destined to collide?
