Introducing Aynah, Mohamed, and Samer

It's been an exciting year so far at Silk Road Cultural Center. As our community of supporters continues to grow, so does our Board of Directors.

We're thrilled to introduce you to [Aynah Ali](#), [Mohamed Atef](#), and [Samer Kanaan](#), the latest additions to our Silk Road family.

Aynah Ali

I got excited about SRCC because of their mission to educate audiences about the legacy of the Silk Road. I am eager to see how we drive healthy engagement and unite as a community with diverse worldviews.

The mission of SRCC has never been more essential and pertinent than it is today. Serving on SRCC's board is a privilege, and contributing to the representation of my culture is profoundly rewarding.

Having first been involved with SRCC over a decade ago, I am delighted to be a part of the organization and contribute to its impact. My passion for the fine arts makes me a natural supporter of SRCC's mission.
