## Mosque Alert

### The World Premiere

**March 24 – May 1, 2016**

**Written by Jamil Khoury - Directed by Edward Torres**

Inspired by the "Ground Zero Mosque" controversy in New York City, *Mosque Alert* tells the story of three fictional families living in Naperville, Illinois, whose lives are interrupted by a proposed Islamic Center on the site of a beloved local landmark. *Mosque Alert* explores the intersections of zoning and Islamophobia with humor, family drama, and refreshingly blunt honesty.

## An Interview with Playwright Jamil Khoury

What inspired playwright Jamil Khoury to write *Mosque Alert*? And why did he seek feedback from thousands of people in creating a play that mirrors our post-9/11 world?

In this video, Jamil discusses the inspiration for his play and how a non-traditional new play development process helped shape this much-needed story.

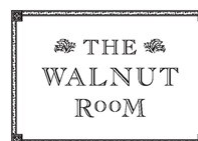

Today's horrific attacks in Brussels stand as yet another reminder of why narratives about Muslims cannot be ceded to ISIS and their ilk. Our thoughts and prayers are with the victims and their loved ones, and our determination to counter both Islamism and Islamophobia is stronger than ever.
