

Hello & First Name>>, Brahman/i looks forward to having you at the show! [View Online](#) Or [Forward](#) to a friend.

**NOW EXTENDED THRU MAY 4th!**

In this provocative play masquerading as a stand-up comedy routine, an Indian intersex person explores history, mythology, gender roles... and high school. *Brahman/i* – funny, cynical, inventive and intensely charismatic – takes on more than a dozen unforgettable characters in a fascinating life story that most of us can barely even begin to imagine.

"Fawzia Mirza, a petite but athletic actress with a **sharply sardonic edge**, and a persona that can shift from boyish to glam, also happens to give a **tour de force performance** in the role under Andrew Volkoff's direction." - Hedy Weiss, *Chicago Sun-Times*

Patron Comment: "The complete transformation of Fawzia Mirza into each of the characters she plays IN ADDITION TO playing both male and female as Brahman/i is phenomenal. **It's practically impossible what she's doing.** And to be so completely attractive all the while -- truly beautiful -- truly masculine -- truly feminine -- truly sexy -- **it boggles the mind.**"
