The Lake Effect is Jeff Recommended!

Accolades are pouring in for *The Lake Effect*

"*The Lake Effect* cements Mr. Joseph as one of our most formidable new playwrights. Mr. Joseph weaves a narrative like no other with an overall morality check on the entire human condition. Mr. Douglas has brought together a sensational cast who work impeccably together as a unit. The production values are flawless. **Simply brilliant.**" Highly Recommended by Michael Robertson, *Showbiz Chicago*

"Under the **skillful direction of Timothy Douglas**, the flawed characters are believable and the dialogue is genuine and clever...I **didn't want the story to end. I wanted to see what happened in the next scene.**" Highly Recommended by Katy Walsh, *ChicagoNow*

"A smart, entertaining and powerful staging by Timothy Douglas...*The Lake Effect* is ultimately a funny and moving examination of families, culture and the American Dream. **Each of the actors capture their own character's need for belonging.**"

Highly Recommended by Kerstin Broockmann, *Chicago Stage Standard*
