## *Invasion!*

**PREVIEWS BEGIN NEXT WEEK!**

July 30 - September 01, 2013

A Midwest Premiere

Written by Jonas Hassen Khemiri  
 Translated by Rachel Willson-Broyles  
 Directed by Anna Bahow

*Invasion!* is a tornado of words, images and ideas, all centered around a magical name: Abulkasem. The play assaults our deepest prejudices about culture, race and language. At once hilarious, disturbing and poignant, this mischievously subversive play deconstructs a "threatening" identity – the Arab male – and forces us to confront our own complicated identities.

"A slyly entertaining comedy with a sharp political edge...expresses confusion with remarkable clarity." - *The New York Times*

"If you've ever wished somebody would write a razor-sharp play anatomizing lazy paranoia about the Middle East—somebody has." - *The Village Voice*

"One of the best social commentaries in dramatic form of the past few years." - *CurtainUp*

"Playfulness and seriousness intermingle to disturbing - and awfully satisfying - effect." - *Theater Mania*
