An apartment on the 19th floor. All Edith wants is to sit and have some

tea with her husband, someday, when he's done building his masterpiece. The kids rarely call, and when they do, they're full of accusations. Meanwhile, outside their apartment, the waters are rising, rising, rising... *FLOOD* is a dynamic comedy about love and companionship across human divides.

The Band's Visit
Music and Lyrics by David Yazbek
Book by Itamar Moses

Writers Theatre is proud to host a SWANASA (Southwest Asian, North

African, South Asian) community night celebration and performance on Sunday, March 17th.

In a small Israeli desert town where every day feels the same, a lost bus arrives carrying an Egyptian police band. With no accommodations and no buses running until the morning, the musicians are taken in for the night by the locals. Under the spell of the desert sky, these misplaced musicians bring everyone together in a way that only music can. *The Band's Visit* is not to be missed!
